

Tasmanian road signs and what they mean

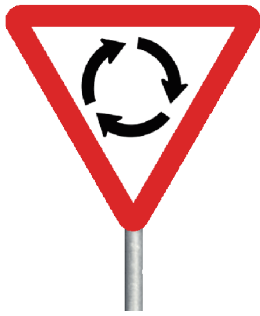

Always drive on the left side of the road.

Slow down and stop at the white stop line and give way to traffic and pedestrians

Slow down and stop at the white stop line and give way to traffic and pedestrians

This is the sign for a roundabout which is an intersection with a traffic island in the middle. Traffic goes around clockwise, keeping to the left of the island

Slow down, slippery road surface ahead

Slow down, winding road ahead

Slow down animals on road - The best way to avoid hitting wildlife is to drive slower from dusk to dawn. This gives you more time to spot an animal and to slow down to avoid hitting it.

Slow down, sharp bend ahead
